

This section should be completed by participants (people who took part in the programme)

Tell us about whether the information we sent you at various times through the project was helpful? (This could include letters we have sent to you such as information about the rehearsals and performances).

How much did you enjoy the rehearsals? (Quality of artist leading the session, space you worked in, how easy or hard the sessions were, etc).

Tell us about how much you liked the piece you made and your favourite / least favourite parts? (Comments about the piece you made, what you liked/disliked about it, music, costumes, etc).

Did you enjoy the performance? (Comments on your day at the Gala, favourite part of the day, least favourite part of the day).

Anything else you would like to say? (Space to write any comments about any part of the dance programme, suggestions how to make it better, what you enjoyed the most).

Parents/Guardians of Participants

Tell us about whether the information we sent you at various times through the project was helpful? (Comments about how well you were informed about the programme, dates, performances).

Tell us about whether this programme has been a worthwhile experience for your son / daughter? (Any comments about how much you feel your son/daughter has enjoyed the programme, what you as a parent/carer feel the benefits are of young people taking part in the programme).
